**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Without Sonic high speed fiber for internet and phone I would only have much more expensive options like AT&T or Comcast. Before having Sonic fiber I had DSL from AT&T and it cost 50% more than the fiber internet I have now that is 100 times faster. I no longer can afford to pay Comcast or AT&T prices especially for lesser service, now that I have had fiber for 7 months I could not imagine going back to slow internet for more money.
